

Residential Electronics Re-Cycling for Wauconda

The Village of Wauconda is happy to offer the residents of our community an opportunity to recycling residential electronic devices in a partnership agreement with the Village of Island Lake and Wauconda Township. “Residential Electronics” means electronic devices that are generated from households, but excludes electronic devices that were used in institutional, governmental or commercial business.

Please follow our simple rules:

- Only Residential Waste can be accepted (no commercial or industrial drop offs)
- Residents must live in Lake County
- Electronic items must be delivered free of any packaging materials and without manuals
- Examples of acceptable electronics are outlined in Exhibit 1 below

The Program Plan has Two Parts

Part 1 – Saturdays:

Re-cycling will be conducted on the first Saturday of each month at the Wauconda Township Facility located 505 W. Bonner Road. The hours of operation are 9:00 a.m. to 12:00 p.m.

Part 2- Weekdays:

Weekday collection will be conducted Monday through Friday at the Wauconda Public Works Facility, located at 302 Slocum Lake Road in Wauconda. All items must be brought into the building and deposited in the collection boxes. **Operating hours for weekday collections are Monday through Fridays from 8:30 a.m. to 11:30 a.m.**
